

## Bring the Beis Medrash Home — 40% off the Otzar Hachochma Program

While the *batei medrash* were locked, the ability of many *avreichim* to learn was hindered. There are some whose learning was not affected during this time, however — the customers of Otzar Hachochma. The program has over 105,000 *sifrei kodesh*, and they can move from page to page of the *seforim* in their original form.

Now, the Book Week special of Otzar Hachochma is available once again. It begins on June 7 and will continue for one month. The deal offers a one-time discount of 40% off. Otzar Hachochma's management notes that once the special deal is over, it is not possible to receive the discount.
