

Otzar HaHochma

The world's largest digital library of Judaic books

New! Otzar HaHochma School version -13,000 Jewish books

Otzar HaHochma is proud to announce the launch of the **School Edition**, which includes **13,000 Judaic books**, carefully selected from the full Otzar HaHochma library of **47,000 works**.

The version includes all basic works in all Torah and Judaic fields, from Chazal to modern day sources, commentaries to the Bible, Mishnah and Talmud, works in Jewish philosophy and mussar; in addition to books on Jewish history and Jewish communities, Hebrew language and grammar, encyclopedia's and more.

The Otzar HaHochma School version caters to the needs of teachers and students and serves as a useful aid in preparing lessons, source sheets, projects and assignments in all Judaic fields.

Spare time and effort!
Prepare lessons, source sheets,
projects and assignments

Otzar HaHochma

The world's largest digital library of Judaic books

Otzar HaHochma offers important features, for example:

1. **Search options:** The search feature can be used in a variety of contexts:
Search by **title or author**; **Advanced Search** by word, word combinations, word spacing, etc. and search by a **wide range of topics**.
2. **Print:** Print or save book pages to a PDF file.
3. **Outlines:** Thousands of books in the Otzar HaHochma collection now have an outline pane to conveniently reference sections and subsections. Save time scrolling, just click on the outline entry to open the correct place!
4. **Scan-to-text conversion:** Converts the scanned page images to text files using OCR technology.
5. **Effortless access commentaries on Shas and Torah Portions**

And much more...

You can view the booklist at www.otzar.org/otzaren/ecatalogue.asp .

Otzar HaHochma as a Research Tool

We recommend the use of the Otzar HaHochma library to teach students library research skills. Otzar HaHochma's distinct advantage is that the students are free to learn within a "clean" environment that is not exposed to undesirable elements.
