## OFF OTZAR HAHOCHMA

June 6 to July 8

**Otzar  
HaHochma**

The world's largest digital library of Judaic books

When batei medrashot were under lock and key, and many were forced to spend all their time at home, there were still some whose quality of learning wasn't affected at all. Otzar Hahochma customers had access to more than 105,000 sifrei kodesh, page by page, just as in the original.
