

Just imagine having **19,400 seforim** in your own library

With Hashem's help,
the Otzar HaHochma team will
be coming to the New York area, where we will hold
presentations of **Otzar HaHochma** Version 4.0
The World's Largest Computerized Collection of Seforim.

Otzar HaHochma
contains all of the
essential seforim, and
most other useful Jewish
books, as well as ancient
and rare books, original
manuscripts, periodicals,
Torah collections and more
contemporary books.

The updated version
contains 19,400 scanned
books, encompassing
some 5 million pages.

**A high-speed search
engine enables
searching for single
words or word
combinations in roughly
10,000 books!!**
