The world's largest computerized Jewish library

Otzar Hachochma – computerized library of 74,800 Jewish books that have been scanned page by page in their original form. A sophisticated search engine lets you search the books by entering a word.

For an additional cost you can add packages from these institutions: Chabad Oz VeHadar • Mossad Harav Kook • Machon Yerushalayim • Ahavat Shalom Encyclopedia Talmudit • Machon Ofek • Chochmat Shlomo
